

# **An Atlas of the Brain of *Monodelphis domestica*\***

**Charles Watson<sup>1</sup>, Lucy Adams<sup>1</sup>, and Norman Saunders<sup>2</sup>**

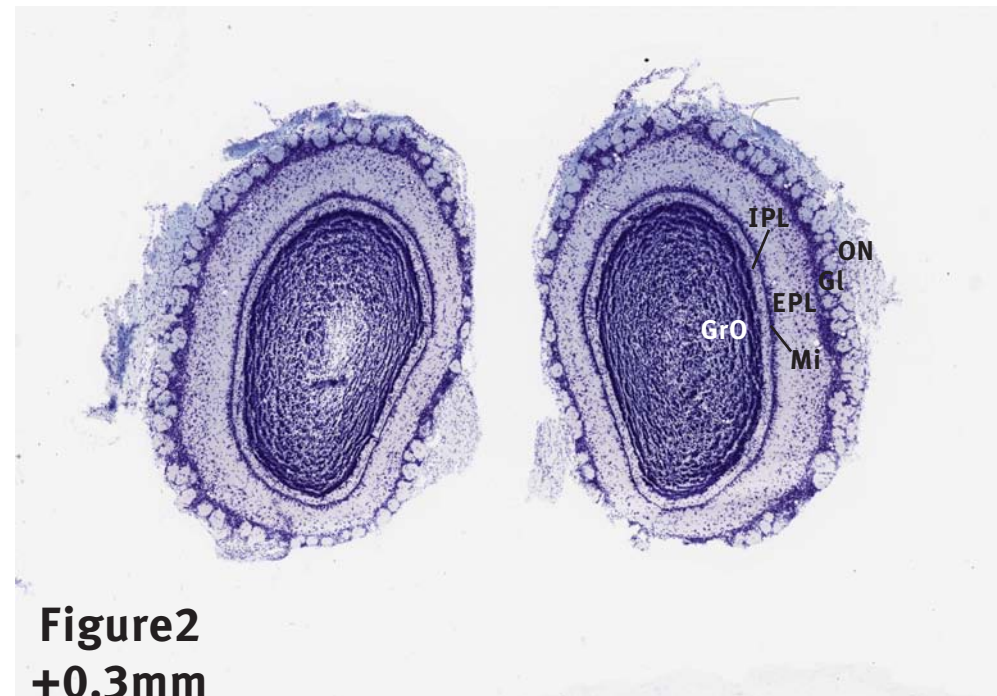

<sup>1</sup>The University of Western Australia

<sup>2</sup>Melbourne University, Australia

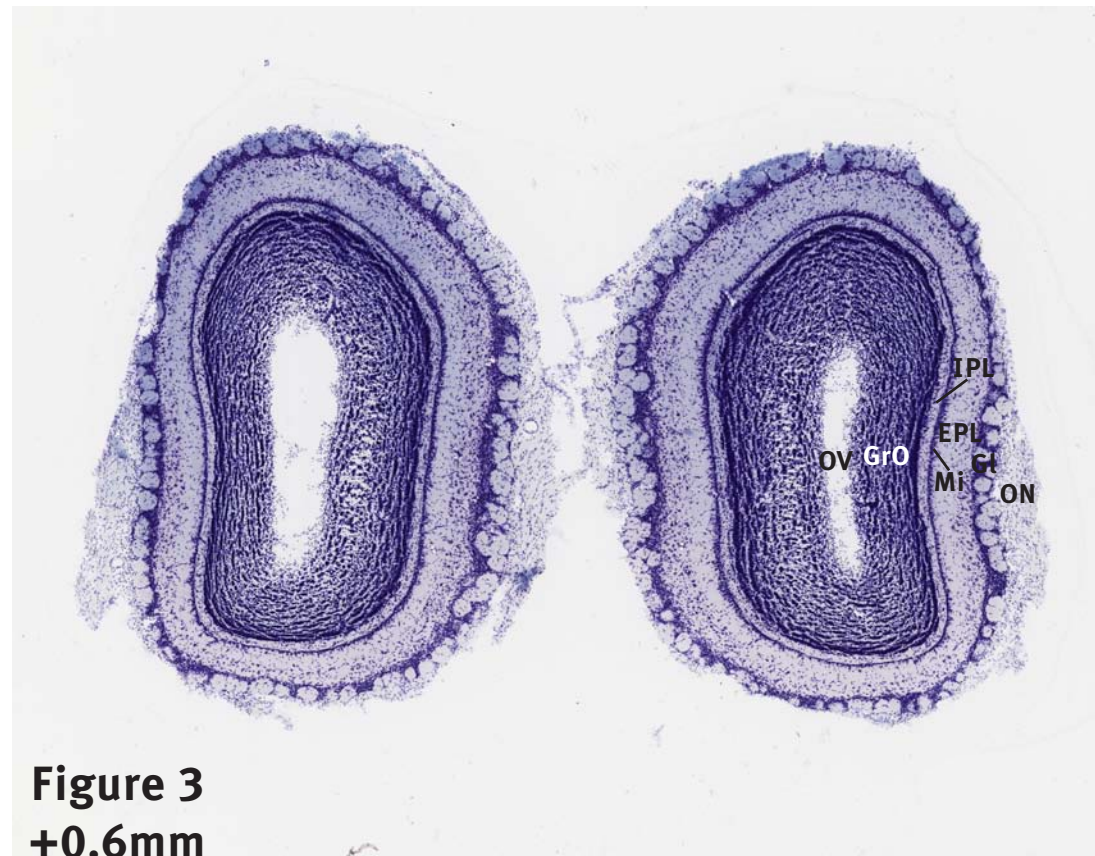

*\*The coronal sections used here were originally prepared by Norman Saunders of Melbourne University, and then made available on the BrainMaps.org site set up by the late Professor Ted Jones of the University of California, Davis. The delineations were made by Charles Watson and Lucy Adams.*
